1.7 SCHOOL RULES AND CODE OF CONDUCT

All of our School Rules are based around the 6 Golden Rules:

Do be gentle
Do be kind and helpful
Do work hard
Do look after property
Do listen to people
Do be honest

We recognise that the 6 rules are all positive, but they have opposites as well. We reinforce the school rules in class, in PHSE lessons and in school assemblies. The school rules are displayed around the school.

In addition to the school rules we have an Anti Bullying Code of Conduct and a Table Manners Code of Conduct. These can be found in separate policies.

We enforce the Schools Rules and the Codes of Conduct through a system of positive reinforcement and appropriate sanctions as set out in our Rewards and Sanctions Policy.
